Love, Sweet Love: Valentine's 2017 Campaign

Spread the love this Valentine's Day

Dionne Warwick said it best — “What the world needs now is love, sweet love. It’s the only thing that there’s just too little of.”

Here at Community Legal Aid, we see the **impact that love from someone like you can have on our clients**. It can be the difference of a family keeping their house, a veteran accessing his benefits, a battered spouse finding a safe landing.

This Valentine’s Day, we want to thank you for spreading your love to our clients, and give you a special opportunity to connect with them.

Throughout the month of **February, for every \$10 you donate, we’ll send a valentine in your name to one of our clients**. Our goal is to raise \$10,000, which would allow us to send valentines to 1,000 of our clients.

When our clients come to us, they are struggling. For many of them, we are their last hope. Our valentines program is one way we can help lift their spirits, even when times are tough. Your valentine will help **spread some love where it’s needed most**.

Send your valentine to someone in need today.

Just a few words can mean so much. Thank you for reaching out and showing these families and individuals in need that you care this Valentine’s Day.

How many valentines would you like to send?
