

Speakers Bureau

Our Speakers Bureau program connects knowledgeable Community Legal Aid staff with community groups to provide valuable information and resources. We offer free presentations on a variety of topics, including:

- Foreclosure
- Financial and legal literacy
- Wills and estates
- Tenant/Landlord issues
- General information about civil legal aid and our services

Additionally, advocates may be available to staff an information table at local outreach events to provide attendees information about our services.

To request a speaker or information table, click the button below. Please note that we ask that all requests are made at least four weeks in advance to allow for scheduling.
