Be The Change: Year-End Giving Campaign

Your gift makes a difference

Each and every one of our donors has a direct impact on our clients when they support Community Legal Aid. **You are the common factor in their lives that brings hope** when they have nowhere left to turn. You are the change in their lives.

But our reach can only extend as far as our funding. We've faced large cutbacks in recent years due to the global financial crisis, and are only able to provide legal assistance to **one of every three families who come to us for help.**

Your support can change this. By giving to Community Legal Aid, **you give directly to helping those families and individuals who turn to us in their time of need.** Every dollar helps a veteran secure the benefits he's earned, or helps a battered woman find a way to a safer life. Each gift helps a child with disabilities stay in school, or helps an elderly woman gain financial freedom. No gift is too small, and all contributions are appreciated.

So don't wait. There are families and individuals waiting for your help right now. Answer the call and be the difference in their lives. Donate today to **be the change.**
