## **Spring Appeal 2017: Celebrating 65 Years of Making a Difference**

Since 1952, Community Legal Aid has provided hope and lasting improvements to the lives of tens of thousands of our neighbors. And over these last 65 years, much has changed. But one thing has remained the same - your ongoing commitment to making a difference in people's lives and in your community.

Your support is what allows us to protect our most vulnerable neighbors when civil legal problems threaten their health, safety, and stability. Last year alone, you helped us make a difference for 12,360 people.

We need your help to reach just as many and more this year. Join us in the fight to protect justice for those who need it most. Become an advocate today.
